

Wildly good conferences

Conferences including drinks and food

Why not have a conference in Africa for a change? In the 'Tropen-Aquarium Hagenbeck', we can offer you lots of options for holding your conference in an exotic atmosphere. Our rooms are named 'Lilongwe', 'Kongo', 'Okavango' and 'Ubangi', and they are all furnished with carefully selected, eye-catching African design elements. Our all-inclusive conference package means you can focus all your attention on your conference, and we'll take care of the rest. Greet your participants in the room 'Kitavi' or 'Lilongwe'. The ideal conference rooms are 'Okavango', 'Ubangi' or 'Congo', and we would be happy to equip them with your desired seating arrangements. The 'Ubangi' and 'Okavango' rooms can be made into one room for larger numbers of participants. Relax in the breaks in our 'Masai Mara Lounge' amidst the tropics, with a view of the tropical world.
